on Substance Use
and Addiction

All behavioural indicators across proficiency levels are examples only and can be adapted or tailored to meet individual organizational needs and mandates.

For CCSA's competencies, substance use is inclusive of situations where professionals are working with individuals who use or have used substances, are diagnosed with a medically recognized substance use disorder or are experiencing harms as a result of using substances. For more information, please refer to the criteria for substance use disorders in the *Diagnostic and Statistical Manual of Mental Disorders*, 5th edition (DSM-5).

LEADERSHIP

Help others achieve excellent results and create enthusiasm for a shared vision and mission, even in the face of critical debate and adversity. Model professionalism and integrity. These qualities apply to both informal and formal leadership roles.

	1 = Foundational	2 = Developing	3 = Proficient	4 = Advanced
EXAMPLES	<ol style="list-style-type: none"> 1. Encourages and fosters dialogue, valuing all team members' input 2. Shows appreciation for work done well by others by providing recognition 3. Brings excellent performance to the attention of the larger team or organization 4. Shows organizational and professional commitment and supports the vision and mission of the organization 5. Openly shares information on decisions and changes in a timely manner 6. Builds support for and commitment to new initiatives including non-traditional or innovative activities 7. Enhances understanding of and commitment to change among peers by involving those affected by it 8. Leverages team members' strengths to collaborate with and inspire each other 9. Engages in ongoing professional development opportunities for leadership roles and responsibilities 10. Maintains an optimistic and enthusiastic attitude, despite challenges 11. Adopts change initiatives at an early stage 	<ol style="list-style-type: none"> 1. Leads by example, modelling desired behaviours and acting with professionalism and integrity 2. Creates an environment where team members consistently push for improved team performance and productivity 3. Sets clear and realistic goals, activities, timelines, deliverables and products, and accountabilities for self and team 4. Recognizes good performance and deals constructively with setbacks 5. Fosters a work environment where all team members feel safe and included in contributing to dialogue and debate 6. Advocates for the team to have the resources, information and support needed to do their jobs 7. Challenges policies or practices that present barriers to independent action and decision making 8. Considers individual's competencies, interests and concerns in establishing team structures, roles and responsibilities 9.
